

Risk assessment of security, travel and health risks

Updated on an annual basis and prior to receiving volunteers

<p>a) General situation in the country of deployment (such as economic situation, recent history and anticipated changes to establish levels of risk and insecurity regarding political instability and complexity, conflicts, civil unrest, ethnic and religious dynamics, etc. to establish a map of threats, the likelihood of each threat occurring and their likely impacts);</p>	<p>The Kagera region in Tanzania is a stable and peaceful area. The major economic activity is farming.</p>
<p>(b) natural-disaster risk-mapping;</p>	<p>Earth quakes occur but are not very strong and the risk is low.</p>
<p>(c) local attitude and level of local communities' and authorities' acceptance of the Volunteer/the initiative;</p>	<p>Volunteers are well received.</p>
<p>(d) other agencies operating at the same location;</p>	<p>There are several, for example: Jambo Bukoba, Chema, Marafiki of Africa and Karudeca.</p>
<p>(e) contingencies and evacuation plans;</p>	<p>In the village of the organizational office there is an air strip for small aeroplanes. This can be used for emergency transport by aeroplane to a safe area or a hospital.</p>
<p>(f) facilities (offices and accommodation);</p>	<p>The MAVUNO hostel in Chonyonyo will be used in case of hibernation remaining personnel, unless found unsuitable. There is a 14 days' supply of food, water, hygiene, and fuel necessary for survival available there. A Volunteer is entitled with working office furnished with furnitures and fittings.</p>
<p>(g) reporting mechanisms and monitoring for security incidents;</p>	<p>All incidents related to health, accident or safety matters shall be reported in writing to the Volunteer Supervisor, the Director</p>

MAVUNO

Improvement for Community Relief and Services

	<p>as well as the sending organization.</p>
<p>(h) connectivity and communications available and communication equipment (including accessibility and level of reliability); and</p>	<p>Volunteer should bring a mobile phone for communication. A local SIM-card should be bought and used. The Volunteer shall, at all times, carry the number of relevant contact persons within the Organization, as well as contact information to his/her partner organization and insurance provider.</p>
<p>(i) availability of transport and current maps, including freedom of movement and ease of access.</p>	<p>Transport of Volunteers for reasons related to the specific task they are assigned are covered by the budget of the specific project.</p> <p>All project travel costs to be allocated to a project are to be approved by the project director.</p> <p>Organization vehicles will be specifically used within the Organization.</p> <p>If travelling by the Organizational vehicle for personal reasons, permission will have to be given by the Supervisor or director in advance.</p> <p>Transportation of Volunteers for personal and general reasons are covered by the Volunteer or if agreed upon in advance by his/her sending organization</p>
